Household Hazardous Materials are found in sheds, garages, basements, craft rooms, workshops or under kitchen sinks in many homes. Often these products are labeled with words such as: Caution, Warning, Danger, Poison, Flammable, Combustible or Corrosive.

Agricultural Hazardous Materials such as pesticides, herbicides and chemicals are found on both active and abandoned farms. Banned substances such as DDT, Chlordane, and Silvex, 2, 4-D will be accepted.

Business Hazardous Materials will be accepted from businesses identified as Very Small Quantity Generators (VSQG) and located within the participating Counties. Businesses must pay for their disposal costs, but may avoid on-site pick-up fees. Eligible businesses may receive a 50 percent subsidy for disposal of pesticide wastes.

The following materials **WILL NOT** be accepted at the Clean Sweep Events.

(For proper disposal, please contact sponsoring agency)

- **Latex paint**
- **Motor oil & antifreeze**
- **CFL and fluorescent light bulbs**
- **Electronic devices** (TVs, computers, printers, etc.)
- **Propane cylinders and gas tanks**
- **Vehicle and household batteries**
- **Explosives and ammunition**
- **Radioactive material** (smoke detectors)
- **Appliances** (Microwaves, stoves, dehumidifiers, etc.)

Sponsored by Winnebago County Solid Waste. Farmers and residents of Winnebago County may dispose of hazardous materials free of charge. Appointments required.
