A Letter From Our Chairman

Ambulance Service

For many years, the City of Oshkosh has been providing Emergency Medical Services, EMS (paramedics) to surrounding communities. The cost was reasonable at \$3.62 per capita. This year however, all communities were informed that the city decided to change their methodology in calculating the costs they will charge all communities. This has resulted in a cost increase to almost \$32 dollars per capita.

Since budget time is fast approaching, the town board will be “sharpening our pencils” to make sure this huge increase does not impact our tax levy too dramatically.

- Frank Frassetto. Town Chairman

Oshkosh listed #1

In August 2024, Realtor.com listed Oshkosh, WI as “the most desirable market in the U.S for the first time in the data’s history”. The author of the article, Julie Taylor, highlights Oshkosh’s peaceful setting on the shores of Lake Winnebago and median home prices that are lower than the national median as reasons home buyers are attracted to Oshkosh.

According to the same article, “listings in Oshkosh received 3.7 times more views per property in July than the national average. With all those eyeballs, properties sit a mere 18 days on the market before getting snapped up by eager buyers—a whopping 32 fewer days than usual nationwide”. Those of us who live in Oshkosh know the many reasons it is a great place to call home! Thank you to the Residents of Black Wolf for helping to preserve what makes our Township a wonderful place to live.

EAA's Camp Scholler will be available for the much anticipated 2025 NFL Draft in Green Bay to help with the high demand of accommodations.

Campsites can be booked starting August 16th, 2024 through the EAA Website for the event which takes place in April 2025.

"Our campground's easy access to Green Bay via Interstate 41 is an advantage for NFL fans attending the draft," EAA's Director of Events said, "This unique opportunity also gives NFL draft fans an opportunity to discover the world of flight as shared through EAA's Spirit of Aviation".

Creamy Butternut Squash Pasta

INGREDIENTS:

- 1/2 small butternut squash, halved vertically & seeded
- Sea salt and freshly ground black pepper
- 2 shallots, coarsely chopped (2/3 cup)
- 3 garlic cloves, unpeeled
- 3/4 cup water
- 1/2 cup raw cashews
- 2 Tblsp extra-virgin olive oil, plus more for drizzling
- 1 Tblsp nutritional yeast
- 1 Tblsp balsamic vinegar
- 10 fresh sage leaves
- 1 Tblsp fresh thyme leaves, plus more for garnish
- 12 ounces rotini pasta

INSTRUCTIONS:

1. Preheat oven to 425 Degrees and line a baking sheet with parchment paper
2. Drizzle the squash with olive oil, sprinkle with salt and pepper, and place cut side down on the baking sheet. Wrap the shallots and garlic cloves in foil with a drizzle of olive oil and a pinch of salt and place on the baking sheet. Roast for 30 minutes, or until the squash is soft.
3. Measure 1 cup of the roasted squash flesh and transfer to a blender with the shallot, peeled garlic, water, cashews, olive oil. Nutritional yeast, vinegar, sage, thyme, 3/4 tsp salt, and several grinds of pepper. Blend until creamy.
4. Cook the pasta according to package directions in a pot of salted boiling water. Reserve 1 cup of the hot pasta water.
5. Drain the pasta and return to the pot. Stir in the sauce, adding 1/2-1 cup of reserved pasta water to loosen the sauce and coat the pasta. Season with salt, pepper, and a few thyme leaves & serve.

The DNR needs our help spreading crucial safety information across the state of Wisconsin. As of September 10th, 2024 **thirty people** have died in fatal ATV/UTV crashes ranging in ages from 4-79. A majority of the 2024 fatalities are reported to have not been wearing helmets or seatbelts. This information is accessible to the public on the WI DNR website and is regularly updated for the most accurate information. The WI DNR writes the following reminders:

“Riders should be sure to note that not all roads are open to these off-highway vehicles. Be sure to check with the county and municipality where you will ride to use routes open to ATV/UTVs, and only use those routes. More than half of the fatalities in 2024 have occurred on road routes and public roads closed to ATV/UTV traffic.

One of the best things ATV/UTV operators can do to operate safely is to take an online safety course. Wisconsin law requires ATV/UTV operators born on or after Jan. 1, 1988, who are at least 12 years old for an ATV (and at least 16 years old for UTV) to complete a safety certification course if riding on public lands, roads or another person’s property with permission.

Some additional things to keep in mind when operating your recreational vehicle include:

- Never consume alcohol or drugs before or during your ride.
- Do not travel in unfamiliar areas.
- Follow all posted speed limits and regulatory signs.
- Let someone not riding with you know where you are going and when you will return.”
